DELIVERY WAIVER OF LIABILITY: Safes and safe moving equipment are very heavy, awkward, and can be very difficult to handle. Our movers are experienced and have moved 100s of safes of all sizes. IIS applies best practices to protect your safe and home. Despite our best efforts moving a safe in a home has inherent risks that can cause damage ie. cracking tiles, smudging, marking, scratching, and/or denting floors, walls, thresholds, doors, and door jams. By signing below, you acknowledge and accept these risks and agree to hold IIS harmless for any damages caused by moving a safe and safe equipment in your home.

GENERAL DELIVERY INFO

- Delivery pricing is based on the weight of the safe.
- Pricing below is for deliveries within a 25 mile radius of our store.
- A \$2 per mile charge will be added beyond 25 miles.
- If you need to call us for a quote call us at (208) 576-4867.
- We also offer a **bolt down service** for an additional \$50.

Store Pickup -You can pick-up your safe at our dealership at no cost.

Garage Delivery

- Unloading the safe from the truck and placing it into a customer's garage.
 - A pallet jack must be able to roll into the garage easily.
- De-palletization is optional.
- Placement of safe once the safe is unloaded into the garage.
- Safe leveling to prevent door swing.
- Clean the safe and will provide safe operation instructions.

In Home / Main Floor

- Limited to typical first-floor access involving 0 to 3 outside stair steps.
- A flat level concrete or paved pathway is required.
- The Customer is responsible for ensuring the pathway, deck, steps, staircase and foundation are adequate to support the weight of the safe, safe transporting equipment and installation crew.
- Certain stairways, marble floors, floor coverings, door removal, or other obstacles may involve additional charges.
- Safe is taken off the pallet and packaging will be removed.
- Placement of safe once the safe is unloaded into the home.
- Safe leveling to prevent door swing.
- Clean the safe and will provide safe operation instructions.

Upstairs/Downstairs

- Includes 4-15 additional stair steps inside the home.
- Due to size and weight, stair carry is not available on **40 & 50 SIZE MODELS**.
- In some cases, even the 25 and 35 size safes cannot be delivered due to landing space restrictions, staircase structure, and the spacing required for the safe and stair climbing equipment attached to the safe.

PLEASE NOTE: DIFFICULT DELIVERIES

- Due to outside terrain, types of stairways, second floor or multiple floor installations, marble/tile/wood floors, etc. **may involve additional charges** to complete the delivery.
- We reserve the right to decline installations and or delivery involving risk of personal injury or property damage.
- Property title of merchandise purchased will transfer to the buyer at the dealer's location.
- If you have any questions regarding delivery requests, please contact us.
